SHOW RULES AND REGULATIONS

This show is held under Licence granted by the Governing Council of the Cat Fancy and is therefore subject to the Rules of the Council. Exhibitors are advised to obtain a copy of the Rules which may be obtained from the GCCF, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. All exhibitors should be aware of the Regulations contained within Sections 2 & 4 of the Rules; ignorance will not be accepted as an excuse for the breach of the Rules.

ENTRY REQUIREMENTS

All cats, kittens and neuters must be registered with the GCCF. Unregistered cats, kittens and neuters may only enter classes in the Household Pet Section. Registration and transfer applications must have reached the GCCF not less than 10 days prior to the show. No cat or kitten, entire or neutered, born after 19.01.71 with one or both parents, grandparents or great-grandparents unregistered shall be eligible for entry into the Open Classes. If the registration form has not been received when completing the entry form, write the name applied for an put RAF (Registration Applied For) in the appropriate columns and forward number to the Show Manager when registration is received. Exhibitors must complete an official entry form and subscribes to the declaration therein- no telephone entries will be accepted. If an exhibit is owned by two persons both must sign the declaration. Every exhibit must be identified on the entry form exactly as recorded on the registration/transfer certificate relating to it. Exhibitors are responsible for entering the correct classes. Each exhibit may be entered in up to SIX classes, one of which must be an OPEN class. For Experimental breeds granted Preliminary recognition by the GCCF exhibitors must provide a copy of the approved Standard of Points WITH THEIR ENTRY, if not included in the latest GCCF Standard of Points booklet. For entry into Imperial, Grand etc classes please see GCCF Rules SECTION 4, Rule 4i (Amended/effective 23.02.05).

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your GCCF registration document (i.e. Registration or Transfer Certificate) for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'APPLICATION FOR THE TRANSFER OF OWNERSHIP OF REGISTERED CATS' this means that the cat is not registered in your name and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 10 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) or TAF (Transfer Applied For), or both, in the Registration No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details, as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when the show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show management are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated or a change of exhibitor/owner.

If you are entering several cats from your household and the registered owners (exhibitors) differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not, and if it is, indicate **very clearly** which exhibitor owns which cat, ensuring all owners sign the entry form. It may be less confusing and more acceptable to the Show Manager for each owner to use separate entry forms, but joint owners of an exhibit(s) should always use the same form and **both must sign**.

GCCF Rules Section 4 Rule 26 - Exhibitors are reminded that the decisions of the judges are final. Any attempt to influence such decisions, or to identify a cat or ownership of a cat to a judge at a show before that judge's engagement has been completed may render the offender liable to disciplinary action.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS

These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry, or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) Spelling errors
- (b) Separation of cat's names that should be one word, and vice versa
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) Overseas title preceding the name of an exhibit, sire or dam etc.
- (e) Full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) Breeder joint when single and vice versa

INCORRECT DATE OF BIRTH

This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

N.B. AGE LIMITS: Kittens - **not less than 14 weeks** and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show.

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER

If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT	*	Totally incorrect name
REGISTERED OWNER/ EXHIBITOR	*	Joint when they should be single and vice versa Declaration not signed by registered owner/s N.B. The exhibitor(s) must be the registered owner(s) of the cat and not necessarily the person who actually takes the cat to the show
BREEDER	*	Totally incorrect name or names N.B. The breeder of a cat is always the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW : These entries will be disqualified. Remember, the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW

Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT OR INELIGIBILITY OF CLASS ENTRY

These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered into title classes must have qualified on or before the published closing date of the show and the title must have been claimed in writing.

Exhibitors who enter title classes without claiming will be reminded once, but if the title remains unclaimed the cat will be disqualified from this class at subsequent shows.

CATS REGISTERED ON THE REFERENCE REGISTER

No cat registered on this Register is eligible to be shown in competition and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of that breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s).

The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

VETERINARY

GCCF recommend the use of secure, top-opening cat carriers and if a cat cannot easily be removed from the carrier, it will not be vetted in/Judged (as in Best in Show).

N.B. This recommendation relates to the amendment to Section 4 Rule 6.

Exhibits will be received at the entrance of the Show hall from **7.3.0 a.m. until 9.45 a.m.** on the morning of the show. Each exhibit will be examined by the clubs Hon. Veterinary Surgeons, and no exhibit may be penned before being examined.

Vetting-in Envelopes will be given out on the morning of the show.

All exhibits must have a current Vaccination Certificate against FIE (Feline Infectious Enteritis), FVR & FCV (Cat Flu) the full course or booster, in accordance with manufacturers recommendations must have been completed more than 7 days before the Show and issued by a Vet. practise/hospital and signed by a Veterinary Surgeon or Vet. Nurse under the direction of a Vet. Surgeon. The certificate must clearly indicate the identity of the exhibit and the owner to avoid any confusion which may result in rejection from the show!

Cats without valid certificates will be rejected under section A of the GCCF Rejection Form unless the Exhibitor undertakes to provide proof of vaccination, valid for the show, by sending the certificate to GCCF within 7 days of the Show – failure to do so will result in disqualification.

Homeopathic Vaccinations are not acceptable to the GCCF for the purpose of Vetting-in – see Section 4, Rule 4f. Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeons opinion it is desirable, all exhibits from the same household and owner shall be debarred from attending the show. **The Veterinary Surgeons decision is Final.**

VETERINARY REJECTIONS

Exhibitors whose cats have been rejected at shows should note the following :

- a. When sending your clearance certificate to the GCCF Veterinary Officer please include your copy of the rejection slip.
- b. Do not send certificates by recorded delivery as this can cause delays in receipt. If acknowledgement is required please enclose a stamped addressed postcard for signature.
- c. Exhibitors should not attend shows until they have received a letter accepting and confirming clearance from the Veterinary Officer.

PENNING OF EXHIBITS

The pen may be wiped down with cotton wool dampened with any non-toxic disinfectant before putting the exhibit into it. No sprays of any kind are allowed in the Show Hall.

Shampoos/Stress remedies Section 4 Rules 4a-4i,6, 7a-7c, 16-18. exhibitors are reminded that this includes the use of shampoos, grooming products, Scullcap or Valerian. Each exhibit must be provided with a white sanitary tray and clean, plain white or near white blankets without indistinctive markings or edging, which may be arranged in such a manner as to assist the comfort of the cat. Cellular blankets and sewn cat beds are not allowed but white Vetbed or like material may be used if preferred. A hot water bottle or heat reflecting material or cool pack may be used provided they are covered by a blanket, in accordance with GCCF Rules. Any other form of heating will lead to disqualification. All exhibits must have water but food containers must be removed when judging commences at 10.00am and may not be returned until 1.00pm. Judges are instructed to pass any pen that is distinguished in any way.

Other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibits received into the show hall cannot be removed without the sanction of the Show Manager. They are only received on the condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes, baskets or in any other way.

The show will close at 5pm. Any exhibitor packing up cats and show equipment before the show manager announces that the show is closed will be disqualified and all awards will be forfeited.

No one may remove any exhibit from its pen except the owner, the owner's representative or a Club Official. The penalty for contravention of this Rule will be disqualification..

REFUNDS

Cancellation of entries must be in writing.

Full entry fees will be refunded for cancellations received prior to the published closing date, thereafter a percentage of entry feeds may, at the discretion of the Committee, be refunded for entries withdrawn on veterinary grounds (a veterinary certificate must be provided). All refunds will be posted AFTER the show.

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope. Any complaint related to the show must be forwarded to the Show Manager with seven (7) days of the show.

WARNING

Breeders and owners are hereby warned by the GCCF of the unfortunate consequences which may follow the sale of the whole litter to one buyer. The Norsk Skogkatt Society cannot be held responsible for cats and kittens bought at the show, neither will they be held responsible for details of such which may appear in the catalogue.

Titles

Please see the Rules, Section 4, Rule 11a & 11b :

- a) The title must have been claimed before the higher class is entered.
- b) Overseas titles do not qualify cats for higher classes and may not be used in front of the cat's name, But may be placed in brackets after the name in the catalogue.
